

Learn something new this summer at Kensington and Chelsea College

This year we have put together a varied and engaging summer course programme.

You can choose from courses in Spanish, Italian and French to Childcare, Business and DIY.

All courses take place in our fully equipped classrooms in our Wornington or Hortensia or Marlborough centres. We also have a dedicated construction centre in North Action, West London.

This leaflet contains details of just some of the many short summer courses we run. We also run summer courses in Art, Design and Performing Arts and an exciting and intensive 4 week Summer Art School.
