## Training and recruitment

**Want to save money, increase productivity and develop your business?**

Training an Apprentice can have a hugely positive impact on your organisation. The training is free or heavily subsidised by the Government and you can train anyone regardless of age or ability.

If you are looking to hire an Apprentice we can help you find the right candidate, for free! And if you're looking to develop your existing workforce, our expertise and first-class tuition will ensure you develop a skilled and committed workforce. So what have you got to lose?

KCC Works, at Kensington and Chelsea College, deliver Apprenticeship training for a range of sectors, including:

- **Business and Administration**
  - Medical Administration
  - Office Administration
- **Childcare**
- **Contact Centre Operations**
- **Cultural and Heritage Venue Operations** in partnership with the V&A
- **Customer Service**
- **Licensed Hospitality**
- **Housing** in partnership with Catalyst

## Skills training

We also offer a number of other services to help your business.

- A free recruitment service, where we can help match the right staff to your job vacancies
- A range of training opportunities for your staff including short, bespoke training courses across a range of sectors. These include: ILM Certificate in Team Leading (Level 2), Computerised Accounts (Level 1), Bookkeeping (Level 1 and 2)
- Skills training and support for the newly redundant and unemployed, in partnership with Job Centre Plus

KCC Works, at Kensington and Chelsea College, work in partnership with leading organisations such as The Victoria and Albert Museum and Catalyst Training and Development to deliver high quality and effective training for your staff. Our customers include Chelsea and Westminster Hospital, John Frieda, Hampton Court Palace and Transport for London.

## Apprentice

**"I think an apprenticeship has helped me in my career as it gives me an idea of working life as well as developing my experience and qualifications."**

**Business Administration Apprentice  
Elahi Bunsie, Royal Borough of Kensington  
and Chelsea, Facilities Department**

## Employer

**"Being part of the college's Apprenticeship Programme has provided New Hope Academy staff with practical, job-related learning opportunities, which helps build a stronger and more efficient workforce. I'd definitely recommend the Apprenticeship Programme to other employers as it's a brilliant way to boost workforce skills and develop the business as a whole."**

**Eddie Walsh, Community Coordinator  
and Founder New Hope Academy**

## Apprentice

**"The Apprenticeship has given me a real grounding to my career, and, as I am now coming to the end of the course, feel that the hard-work I have put into it is paying off."**

**Calvin Lindsay, IT Apprentice**

## Employer

**"As an employer, one of the easiest things you can do to boost the skills set of employees and increase the productivity of your organisation is to invest in training your staff through an Apprenticeship Programme."**

**Pat McCann, NVQ Manager  
at The V&A Museum**
